The State of Oklahoma Arts Council Funding

How do Oklahoma Arts Council (OAC) budget cuts impact schools and communities?

Compounding budget cuts to the Oklahoma Arts Council have been absorbed through reduction in total number of agency staff, internal cost-saving measures, and cuts to the agency’s grants budget. Recent cuts to the agency have been applied to grants and services, with debilitating consequences for an industry that impacts education, economic development, quality of life, and other strategic state goals.

Since FY08, the Oklahoma Arts Council state appropriation has been cut by 46%.

The Oklahoma Arts Council FY18 Appropriation equals only .0004 of the State’s total FY18 Appropriations.
Background
In 1965, Governor Henry Bellmon created the Oklahoma Arts Council (OAC) in response to a national movement to make the benefits of the arts available in communities across America. The creation of the Oklahoma Arts Council allowed the state to receive matching grants from the newly formed National Endowment for the Arts (NEA). Prior to the establishment of the NEA and the OAC, Oklahomans who wanted to experience the arts were often forced to travel to large metropolitan centers or coastal regions.

More than fifty years later, the system of public and private funding for the arts established through the NEA and its state arts agency partners has made the benefits of the arts and arts education programming available in communities statewide.

Why the Arts?
Oklahoma Arts Council funding ensures that communities and schools statewide have access to the benefits provided by the arts. The arts uniquely benefit core areas of interest to the state. The arts:

- Impact the economy
- Enrich our quality-of-life
- Attract a creative workforce
- Preserve our history
- Promote community development
- Inspire academic excellence

The Value of the Public Dollar
The Oklahoma Arts Council leads in the support and development of a state industry that produces an excellent return-on-investment. In fiscal year 2015, Oklahoma Arts Council grantees and their audiences:

- Had a $241 million impact*
- Generated $22.9 million in state and local tax revenues*
- Supported more than 8,100 full-time equivalent jobs*

$1 in Oklahoma Arts Council funding helps generate $6 in state and local tax revenue.

Based on the Oklahoma Arts Council’s FY15 state appropriation.
Enabling Legislation
The mission of the Oklahoma Arts Council is to lead in the advancement of Oklahoma’s thriving arts industry. Oklahoma Arts Council’s enabling legislation establishes the following:

- Recognizes the role of the arts in the development of our citizens and prosperity of our state.
- Identifies the need to develop a robust arts and cultural industry.
- Provides for the selection of 15 Governor-appointed Council members who understand the value of the arts to Oklahoma.
- Instructs the agency to foster conferences on the arts.
- Directs the Oklahoma Arts Council to manage the State Art Collection.

Evidence for Success
State Policy Pilot Program (SP3)

Oklahoma’s participation as one of ten states selected for Americans for the Arts’ three-year State Policy Pilot Program (SP3) concluded in fiscal year 2017, culminating in a presentation of research findings for arts and education stakeholders. Results of the efforts of a statewide task force led by the Oklahoma Arts Council will provide policymakers tools for achieving improved academic outcomes in Oklahoma through arts education.
Preserving

Our History and Cultural Heritage

In addition to funding the museums and institutions that are stewards of our history and culture, the Oklahoma Arts Council serves as collections manager for the art in the public spaces of the Oklahoma State Capitol. Among U.S. state capitol buildings, Oklahoma’s is unique for the amount of artwork adorning its hallways and rotunda and beautifying its grounds. Each year, thousands of people visit to view its vast collection of art.

**Capitol Art Collection**
More than 100 paintings, murals, and sculptures have a permanent home in the Oklahoma State Capitol. Enriching a historic civic space, the collection provides visitors and students an engaging way to learn about state history through depictions of our events, people, and land.

**State Art Collection**
This collection of 215 works by notable Oklahoma artists is housed in the Betty Price Gallery at the Oklahoma State Capitol. Works reflect the history and diversity comprising Oklahoma’s cultural fabric. The Oklahoma Arts Council cultivates the collection by continuing to acquire donated works.

Key Competencies
Capitol Restoration Project

The expertise of Oklahoma Arts Council visual art staff has played an essential role in the Oklahoma State Capitol restoration project. Intricate planning and specialized care have been required in order to protect priceless works of art in the rotunda and corridors from the harsh construction environment.
Valuable partnerships allow the Oklahoma Arts Council to expand its reach efficiently to serve a greater number of Oklahomans. Opportunities for strategic relationships and collaborative efforts are continually explored. Examples of partnerships include the following.

**National Endowment for the Arts**
Our State Partnership grant from the National Endowment for the Arts represents approximately 18 percent of the Oklahoma Arts Council budget each year. Made available only to state arts agencies, the funding has a significant impact on the Council’s ability to serve constituents statewide.

**National Poetry Out Loud Program**
Available to Oklahoma schools through our partnership with Oklahoma Shakespeare in the Park, the National Endowment for the Arts, and the Poetry Foundation, this program promotes student understanding of our literary heritage while enhancing memorization, recitation, and public speaking skills.

**Mid-America Arts Alliance**
Through a partnership with the Oklahoma Arts Council, the Mid-America Arts Alliance provides funding, programs, and services to individuals and organizations throughout the state. A recent report showed the total value impact of its programming in Oklahoma for FY17 was $289,348.

**Office of the Governor**
The Oklahoma Arts Council is a consort for the Office of the Governor, serving and/or advising on the State Poet Laureate program, Blue Room exhibitions, Septemberfest event, Christmas Tree Lighting celebration, the Governor’s Arts Awards, and more.

**Oklahoma Department of Veterans Affairs (ODVA)**
Collaborating with ODVA, we are identifying needs, establishing models, and assessing best practices for programs serving veterans and members of Oklahoma’s military community through the arts.

**Oklahoma State Department of Education (OSDE)**
The Oklahoma Arts Council works closely with the Oklahoma State Department of Education to make arts education available as a tool for improving academic outcomes. Examples of collaborative efforts with OSDE include the State Policy Pilot Program (SP3), the national Professional Development Institute for arts education directors, and the development of state education standards in artistic disciplines.
A partnership with the Oklahoma Department of Veterans Affairs enabled the Oklahoma Arts Council to pilot a series of multi-week college-level arts learning courses at the Norman Veterans Center in 2016. To recognize the work of the veterans, their artwork was displayed in a 2017 exhibition in the Governor’s Gallery adjacent to the Oklahoma State Capitol Blue Room. For one veteran who participated in the pilot program, the exhibition reception was the first time he left the veterans center in ten years.
